About this Guide

This Works® quick reference guide provides the information needed to use Receipt Imaging to upload, view and manage receipt images. While this guide is geared towards accountholders, the same processes will apply to other users who have similar levels of access (such as Program Administrators, Approvers and Accountants). Within this guide, you will learn how to:

- Store and Remove Receipt Images.

- View Stored Receipt Images.

- Upload and Attach Receipt Images to a Payable Document and Expense Reports.

- Add Faxed Receipt Images to an Expense Report.

- View Receipt Images Attached to Payable Documents and Expense Reports.

Each of the above topics includes step-by-step instructions for performing a specific task. You can review all of the tasks in this guide or review the task that is specific to your interest.

Prerequisite: To complete the tasks described in this guide, you must be licensed to use Receipt Imaging.

Note: You can print each topic individually for your convenience, if desired.
